DENIES FRICTION IN ROANOKE CLUB

President Declares Relations Between Shaughnessy and Management Are Harmonious.

[Special to The Times-Dispatch.]
Roanoke, Va., July 24.—President Heines to-night denied emphatically the rumor that there is friction between Manager Shaughnessy and the management of the Roanoke baseball club. Mr. Heines insists that the relations between the management and Shaughnessy are thoroughly harmonious. The rumor is thought to have grown out of a war of words between Shaughnessy and Bert Gardin on Saturday afternoon, which was followed by Gardin's jumping the team, and returning to his home in South Carolina last night. Before leaving Gardin said that Shaughnessy accused him of "stalling or laying down his job" ever since the beginning of the season. The tall southpaw said he was leaving that he would not return to play under Shaughnessy.

Smook Connors, who has been holding down third base, left on the same train with Gardin, going to Philadelphia. Connors was removed from his position and given a try-out at short, when McCauley arrived, but failed to make good, having been told that he would be loaned to Bristol, in the Appalachian League. He decided he would return to his home in Philadelphia rather than go to Tennessee. The departure of Gardin and Connors simultaneously caused considerable comment and speculation as to friction between Shaughnessy and the management.

S.S.S. CURES OLD BLOOD DISEASES

Contagious Blood Poison is responsible for a great many old blood troubles, such as scrofulous affections, skin eruptions, catarrhal troubles, Rheumatism, ulcerating sores, etc. There is no such thing as ridding the system of these effects by killing the poisonous germs. The only way to cure old blood troubles is to REMOVE the cause from the circulation, and for this purpose nothing is equal to S.S.S. It goes into the blood, and drives out every taint and poison, and makes this vital fluid pure, rich and nourishing. S.S.S. has long been known as the greatest of all blood purifiers and many thousands have rid themselves of old blood diseases by its use. IT ALWAYS removes the impurity from the blood. SCOUT CARS MOVE ON TOWARD RICHMOND

[Special to The Times-Dispatch.]
Culpeper, Va., July 24.—After a hard battle with the elements and the terrible road conditions of Culpeper county, the three scout automobiles which are seeking a good road connection between Washington and Richmond arrived here this evening at 7 o'clock.

The run, which is being conducted by the Touring Club of America, is in conjunction with the United States Office of Public Roads and the American Association for Highway Improvements, was started from Washington at 10 o'clock this morning by Vice-President Sherman clapping H. E. Elliott by the hand. The Vice-President wished the tourist goodspeed.

The first stay was made at Fairfax, reaching there about 11:30. State Senator Thurston and County Supervisor Myers made addresses, in which they stated that Fairfax was going to build good roads in the near future. P. St. Julien Wilson, Paul D. Sargent and J. E. Pennybacker spoke. After an enjoyable dinner the scouts left for Warrenton, where the good roads meeting was called off, owing to the death of Judge White.

A heavy downpour greeted the scouts at Aldie, and from there on the going was heavy. The valiant pilot car, with Charles E. Miller at the wheel, kept going, however, and held the flag. The Packard and the Studebaker followed. The scouts will leave here early, with
